The diagram shows a piggy bank with two hands interacting with it. In step 1, a hand drops a coin into the piggy bank. In step 2, a hand drops a coin into the piggy bank, with a large arrow indicating the coin's path. The piggy bank is filled with several coins, some of which are labeled with '10' and '1'.

A cartoon illustration of a white piggy bank. Two hands, wearing orange sleeves, are shown putting coins into the piggy bank. One hand is on the left, and the other is on the right. Both hands have large white arrows pointing towards the piggy bank, indicating the direction of the action.
