

## 小數的除法計算練習

姓名：\_\_\_\_\_

|                                 |
|---------------------------------|
| (1) $21.2 \div 5.3 = ( \quad )$ |
|---------------------------------|

(2)  $54 \div 4.5 = ( \quad )$

(5)  $9 \div 1.8 = ( \quad )$

|                                |
|--------------------------------|
| (6) $0.33 \div 11 = ( \quad )$ |
|--------------------------------|

|                               |
|-------------------------------|
| (3) $0.94 \div 2 = ( \quad )$ |
|-------------------------------|

A 10x10 grid with a 2x1 rectangle on the left and a 1x4 rectangle on top. A curved arrow points from the 2x1 rectangle to the 1x4 rectangle.

(4)  $4.5 \div 2.25 = ( \quad )$
